## “Quick Look Sheet”

BLT Radio (Beacon of Light Radio) is an Internet Web Radio Station broadcasting the Gospel of Jesus Christ on three different streams/channels. The channels cover three different genres of Christian music: Contemporary P&W, Rock and Hip Hop. The “**A La Carte**” station streams Contemporary Praise and Worship music to help strengthen those that already have a relationship with the Lord. In addition, you will find biblical teaching like Billy Graham, Ron Hutchcraft, Elizabeth George, Patricia King, Chuck Pierce and more. The A La Carte station also offers kids’ radio with kids’ music and devotionals.

The second BLT Radio station is **BLT Radio – The Rock!** This channel is designed to reach the age groups of **13 – 30 years old**. BLT Radio - The Rock has reached the hearts of youth across the world sharing the gospel in a language that is relevant to them, yet without compromising the truth of the Gospel. Jars of Clay, Leeland, Kutless and more are reaching the hearts and minds of both the saved and unsaved. The Rock station is also launching programming that is designed to reach teens involved in the gaming world.

**BLT Radio – The Word**, is our Premiere Hip Hop station and is growing stronger across America, especially in the US Metro areas. That’s right! The Gospel message has come to the world of hip hop. The apostle Paul stated that we should become all things to reach the lost but without compromise. The industry of Rap is not only a genre; it is a culture and lifestyle that desperately needs the light of Jesus Christ in it. **BLT Radio – The Word** is bringing that light to them.
