RE: New Charities Registration Number
CH2792600

Dear Sir/Madame:

This letter serves to confirm our receipt of your initial registration application packet and to issue your organization a charitable registration number. Pursuant to the Charitable Registration and Investigation Act, N.J.S.A 45: 17A-18 et seq., you may assume that your Charitable Registration application has been accepted within (10) business days of this letter. Therefore, within ten (10) business days of the date of this notice, you may refer to the above charitable registration number and proceed as an organization registered to solicit funds in this state.

Please note that your registration application packet is still under review. If your application is found to be incomplete, you will be notified and a prompt remedy to the deficiency is expected. If your organization does not take steps to remedy the deficiency in a timely manner, your Charitable Registration number will be revoked and it will be unlawful for your organization to solicit funds.

Your organization must renew its Charitable Registration annually. All renewal registrations are due six (6) months after your organization's fiscal year end. Please keep this letter in your permanent files to easily access your organization's Charitable Registration information in the future. Renewal registration forms are easily downloadable from the official State of New Jersey website. We have attached instructions how to access them for your convenience. Should you not have web access or have difficulty, you may contact us at our office hotline (973) 504-6215.

Thank you for your attention.

Sincerely,

Sandra Smith

Dear Mr. Egbert,

I would like to request a review of our CRI-200 form to see if we qualify for religious exemption. I have discussed this matter with Randy Fariello. Please advise me if you need any further information to support the review.

Exemption No: **EXR000913**

Dear President/Chief Fiscal Officer:

On the basis of information furnished to this office, your organization has been deemed exempt from the registration, filing, and certain other record-keeping provisions of the Charitable Registration & Investigation Act (N.J.S.A. 45:17A-18, et seq.) for the following reason(s):

N.J.S.A. 45:17A-26(a) Religious Organization

It is important to note that a determination of exemption applies only to the registration and filing requirements, and may be rescinded should information to the contrary come to our attention.

All other provisions of the CRI Act apply to exempt organizations. For example, it is unlawful for an exempt organization to enter into any contract with a fund raiser that is required to have registered with the State of New Jersey and failed to do so. Likewise, in the case of charitable sales promotions, it is the responsibility of the charity to file with this office a copy of the contract with the commercial co-venturer and to report the results of the venture.

Should any other changes occur in your organization that may possibly effect this determination, the organization is required to notify this Division within ten (10) business days after the changes have become final. Please note that this determination does not imply endorsement of the organization or its stated purposes by the State of New Jersey.

Thank you for your patience and cooperation.

Sincerely,

Russell A. Egberts, Auditor
